4. FINANCIAL REPORTS
(a) Finance Manager Phillips began her report by stating that the Finance Committee had met earlier in the day to go over the details of the financial statements. Phillips went on to say that HUD has repaid us money that was owed from a while ago. This has increased our unrestricted cash in April. She also stated that the administrative fee that HUD pays has also increased. Phillips noted that the tenant revenue is down, and that Director of Operations Bonus will go over that in her report. Phillips advised that the construction budget may seem high. However, that is because most jobs are completed in warmer months and that projects are beginning.

5. CONSENT AGENDA
(a) Commissioner Wood motioned to pass the Consent Agenda. Commissioner Oskey seconded the motion. Motion passed unanimously.

6. CHAIRMAN, STAFF, AND SECRETARY REPORTS
(a) None
(b) Staff Report-
1. Housing Assistance Programs Manager Vickie Rhodes stated that we are at 100% utilization. As of today, we have received 30 applications for the Mainstream Vouchers program. Rhodes advised that her staff has begun verifying income levels. Vice Chair Bennett asked what counts as income? Will the stimulus check count as income? Rhodes clarified that regular unemployment is income, but it is not considered income if it is irregular. She also mentioned that the stimulus payments are not regular payments and do not count as income. Housing Assistance Programs Manager Rhodes stated that we are currently in a HUD short fall status and explained the measures HOSWWA is taking to address that. Rhodes stated that we have had a few families declare a zero income, likely due to Covid-19.
2. Director of Operations Katie Bonus reported that overall occupancy is at 98% and that the net operating income for all properties is positive except for The Phoenix House. Which has a small negative $21.00 cash flow. Bonus explained the effects that Covid-19 has had regarding evictions and late payments. Details on this can be found in the Property Performance Summary Memorandum.
(c) Secretary Westerman began her report notifying the board that due to COVID-19 we are looking into the Shared Work program through the State of WA. Westerman informed the board that the PNRC NAHRO Conference will be done via web and advised any Commissioners interested in going to let Dana know. Secretary Westerman gave a development update for Driftwood Point Apartments, Willapa Center, 38th and Penn., Pacific Place, and Willapa Landing. Detailed information on the developments can be found in the Secretary’s Report. Secretary Westerman provided information for the health and safety measures that HOSWWA is taking.
