STAFF REPORTS:
Finance Manager, Becky Phillips, discussed the financial reports and stated HOSWWA is on track for FY 2018. The fraud revenue is up resulting from a few clients paying off their repayments with their income tax returns. Although admin, tenant services, and property maintenance/management salaries are slightly over budget, employee benefits are 10% under budget which nets out to salaries/benefits being under budget. Health insurance increases were budgeted at 5% but came in at a 6.2% increase. We will see a slight increase to benefits starting in May. Dental and Vision premiums will stay the same. The utilities are under budget, however utilities are billed every other month and this will even out over the year. Monitoring will begin on the HAP Reserves, as we are now using our reserve funds. Lilac Place’s tenant revenues are under budget due to unexpected vacancies.

Commissioner Nolte moved to approve the financial report as presented. Commissioner Bashor-Sarancik seconded the motion. No further discussion.
Motion passed unanimously.

**CONSENT AGENDA:**
Commissioner Nolte moved to approve the consent agenda as presented including February 2018 Vouchers as paid for Housing Opportunities and Lilac Place as well as uncollectable accounts. Commissioner Rudberg seconded the motion. No further discussion. Motion passed unanimously.

**CHAIRMAN AND SECRETARY REPORTS:**
Chairman Fischer shared Secretary Pegg’s notice to resign at the end of the year. Fischer appointed a selection committee, Jon Dieter, Vickie Rhodes, and Commissioners Nolte, and Ostermill to begin the process of candidate selection. A new job description will be created to highlight important skills. The full Board will have final approval. There will be a two-part interview process, one with the Board of Commissioners, then one with staff. Commissioner Rudburg asked if Secretary Pegg should be on the committee. Secretary Pegg offered to assist however felt it inappropriate to play a large role in the selection of a new CEO. Chairman Fischer discussed development, housing background, and the Pacific County agreement in relation to the role of the next CEO will play. The Board has decided to continue with development as stated in HOSWWA’s Strategic Plan. Possible HOSWWA will need a CEO who is confident in development. The Board finds it very important candidates possess the passion and possess the credentials in housing (Section 8, HUD) as a requirement. Secretary Pegg reminded the Board there is currently a 15-year agreement with Pacific County for the Driftwood Point project as a Co-Partner with JPCHA. There is risk associated with the co-partnership that will require on-going monitoring and involvement, and responsibility for management of that project rests with HOSWWA. Secretary Pegg stated there was a landlord satisfaction survey sent out by Housing Program Supervisor, Vickie Rhodes to participating property owners within our jurisdiction. A survey monkey was sent out to 285 landlords via email. 44 responses were received. It asked:

1) How long have you been a landlord with our agency?
2) Which HA programs have you worked with?
3) How long does it take to get an inspection?
4) How efficiently do we operate?
5) How satisfied are you?
6) Will you rent to another program participant?
7) Are we responsive?
8) Are you interested in Lunch-n-Learn trainings?
9) Would you recommend us to others?

Vickie Rhodes discussed those results and concluded overall landlords find HOSWWA to be a satisfactory organization to work with and would recommend participation to others.

Secretary Pegg reported on passage of the final FY2018 spending bill. It includes an increase in Low Income Housing Tax Credits and an important reform to the program. The bill provides HUD programs with $4.6 billion in additional funding overall compared to FY 2017 and more than $12 billion above the president’s FY 2018 request. The legislation includes a 12.5 percent allocation increase for the next four years for the 9 percent low-income housing tax credit (LIHTC), an income averaging option for LIHTC properties, and a $4.7 billion annual budget increase for the U.S. Department of Housing and Urban Development (HUD). The Capital budget included $107 million for affordable housing projects. Representative Jim Walsh assisted HOSWWA in getting a $129,000 capital budget allocation for the Ocean Beach Hwy project. Commissioner Nolte recommended Chairman Fischer and the Board write a letter addressed to our Congressional leaders and to Rep. Jim Walsh for his generous donation.
Secretary Pegg disclosed as of today there are no updates or further correspondence regarding the Public Disclosure Commission (PDC) complaint. The audit has also been completed, with no findings.

Secretary Pegg informed the Board of this year’s PNRC-NAHRO Annual Conference, held May 6-8 in Renton, WA. Secretary Pegg will be attending and will provide a presentation regarding Project Management. She will follow up and provide the board with more information. Administrative Assistant Ariana Anderson will reach out to Board members to see if there is interest in attending. Commissioner Bashor-Sarancik said she would like to attend. There are sessions for Commissioners and a full day of Commissioners Fundamentals.
