Previously LHA entered into MOUs with Community House on Broadway and Emergency Support Shelter to pledge 10% of all HCV offers with a homeless preference to households currently in their shelters. This was eliminated when LHA opened a new waiting list with a separate MOU for Coordinated Entry to set aside 25 vouchers for homeless households. When Coordinated Entry eliminated Love overwhelming in favor of a 3-agency county system, LHA cancelled the final MOUs for both TBRA and HCV. Homeless households have a new opportunity for immediate assistance via the new Mainstream Preference where non-elderly, disabled households previously or currently homeless, anticipating homelessness, or who are currently institutionalized or about to be institutionalized, and are currently on an HCV waiting list are awarded preference points.

B.6 Progress Report.

Provide a description of the PHA’s progress in meeting its Mission and Goals described in its 5-Year PHA Plan.

1. Goal: Provide greater access to affordable housing by increasing the number of homes available to low and medium income families across jurisdictions.
   a. COMPLETED: Completed construction on Driftwood Point, a 27 unit project located in Long Beach, WA utilizing funding from Low Income Housing Tax Credits and Housing Trust Fund. This project is owned by Joint Pacific County Housing Authority, in partnership with Longview Housing Authority. This project is managed by LHA.
   b. IN PROGRESS: Continue development process for Willapa Center, located in Raymond, WA. This project was not approved for LIHTC, however, Housing Trust Fund has fully funded the gap. It is expected that 15 Housing Choice Vouchers will be attached to this project. This project will begin construction in 2020. A new project located on 38th and Pennsylvania Street in Longview, Washington is under consideration. This 48 unit project is in the feasibility stages to partner with a local church who owns a 2 acre parcel and is considering donating the property at no cost to the HA.
   c. DELAYED: Explore the possibility of developing a 124 unit project on land on Ocean Beach Highway acquired through the WSHFC Land Acquisition Program and utilizing available funding to include LIHTC and HTF. Application for pre-development costs to be submitted to Impact Capital. An application to HUD to attach 124 Housing Choice Vouchers to the program will be submitted upon approval of other funding.
   d. IN PROGRESS: Increase affordable homeownership opportunities through development of new housing, and the Section 8 homeownership program. Maintain solid partnerships and identify new funding sources for down payment assistance.
   e. IN PROGRESS: Continue development and preservation of affordable housing. This will be done through development of new housing and acquisition/rehab of existing housing throughout our jurisdiction as opportunities arise. Emphasis will be on expanding housing where gaps in supply have been identified in the Consolidated Plans. Every effort will be made to leverage other public and private funds where available.

2. Goal: LHA continues to work diligently towards 100% utilization of Housing Choice Vouchers as long as sufficient funding is appropriated by Congress.

3. Goal: Expand the supply of assisted housing by applying for additional rental vouchers and tenant based rental assistance when opportunities arise.

4. Goal: Promote self-sufficiency and asset development of assisted households. LHA will pursue funding opportunities to expand the Rent Well Program to improve tenant education and rental housing choice options.

5. Goal: Ensure equal opportunity and affirmatively further fair housing by providing continuous training opportunities for staff and undertaking affirmative measures to ensure accessible housing to all.

6. IN PROGRESS: Actively leverage partnerships and community engagement to increase effectiveness and expand opportunities.
   a. Improve outreach efforts to increase awareness about available programs by continuing partnerships with the Coordinated Entry agencies in each County, local Rental Property Owner’s Associations, Lower Columbia CAP, DSHS and Willapa Behavioral Health by continuing informational sharing events and trainings.
   b. Work with local service providers to identify potential partnership opportunities to expand the supply of housing and supportive services
   c. Provide development assistance to smaller partner agencies to increase affordable housing options in rural areas outside the City of Longview to include Wahkiakum, Lewis and Pacific Counties.

7. IN PROGRESS: Create and implement tools to thrive
   a. Continue to improve program integrity and quality of service by working to identify administrative efficiencies and streamlining procedures.
   b. DISCONTINUED: LHA has discontinued searching for funding sources to continue operation of two Janus Homes. A partnership was formed to assist Janus in developing a drop in center for homeless unaccompanied youth. Leases on these two properties have been transitioned to Janus Youth Services, Janus will continue operating Youth Services out of the properties in Longview.

8. DISCONTINUED: Reliable Enterprises was unsuccessful in obtaining funding to pursue Phase II. No additional project based vouchers will be set aside for Reliable Enterprises at this time. LHA intends to continue with the goal of attaching Project Based Vouchers to the 38th Avenue and Ocean Beach Hwy projects in Longview, Washington. Attaching PBV helps fulfill the goal of expanding affordable housing.

9. IN PROGRESS: Due to modifications in supportive services grant funds from Veterans Affairs (VA) distributed to the Veteran Integration Program (VIP) department of LHA, a reassessment and reorganization has been fully implemented to better serve homeless veterans in the HA’s jurisdiction.
